Dear Mrs. Thomas,

Since writing to you in February last we have had further demands for lectures to Almoners. It has, therefore, been decided to give the lectures again next session, and, if you have not already made other plans, we shall be glad to receive your students at the same fees as this year, namely, 5 guineas for the course of twenty lectures.

It has been found to be unsatisfactory if the students only attend half the course as one or two did this year, so the fee has been fixed for the course and not for the term.

May I ask you if possible to let me know soon whether any of your students will attend the course.

Yours truly,

Principal.
