# The College of Nursing.

HENRIETTA STREET, CAVENDISH SQUARE, LONDON, W. 1.

10 July 1930.

Dear Miss Monkhouse,

Thank you for your letter telling me that Mrs Reid will serve on our Selection Committee for the appointment of a Director in the Education Department of the College.

I am sorry it will not be convenient for Mrs Reid to meet us before the 19th, as I had hoped to have the first Selection Committee either on the 16th or 17th.

It will be necessary to have a second Selection Committee to interview the candidates which would of necessity be after the 19th.

Of course, the latter meeting is most important ~~and~~ Mrs Reid might think that it is not necessary to trouble her for the first Selection - this I must leave to her.

I remain,  
Yours sincerely,

M. S. Russell

Secretary
