11th May 1933.

Dear Mrs. Carter,

Thank you for your letter of the 10th May. I will call the Organisation Committee for June 2nd at 2.30 p.m. Tuesday June 6th would not be possible for College members.

Thank you for sending the programme for the Presentation of Certificates ceremony. It is, I think, a good thing that the representative of the Japanese Red Cross will not be able to make a speech because the programme seems long enough without her. I am sure we shall all be glad to hear Mrs. Bedford Fenwick.

Yours very sincerely,

Secretary.
