The College of Nursing,

Henrietta Street,  
Cavendish Square,  
W. 1.

25th September, 1936.

Miss G. Jebb, M.A.,  
Bedford College for Women,  
Regent's Park, N.W.1.

Dear Miss Jebb,

I am attaching a list of the twenty-one health visitor students who will be attending Dr Doyne Bell's lectures which I understand are to be given at 10 a.m. on Fridays, starting on the 30th October.

We have accepted three nurses for the whole-time course in industrial nursing, Miss G.M.Devine, who trained at the Hospital for St. John and St. Elizabeth, Miss B.O.Greig, who trained at the Middlesex Hospital and Miss N.G.Mainland, who trained at the Prince Alfred Hospital, Melbourne. I shall be glad to have them admitted to the following courses of lectures:-

Social Administration - on Fridays and Mondays at 10 a.m. starting on October 9th.

The Industrial System - on Thursdays and Mondays at noon and 11 a.m. respectively starting on October 8th.

Psychology - - - - - on Tuesdays at 10 a.m. starting on October 14th.

Would you be good enough to confirm that the dates and time of the lectures quoted above are correct for the coming term. Perhaps you would kindly let me know when Dr Mess would like to see these students. They are free in the afternoon of the 6th October or could be freed on October 7th, if more convenient.

Yours sincerely,

(Signed) M. MCEWAN

Tutor to the Public Health Students.
