

8th June 1928.

Dear Miss Dorsey,

As soon as you have got the invitation cards for July 17th, would you kindly let me have 50 to send to the French Rectors and Professors who are visiting England at that time under the auspices of the League of the Empire? I shall later on have a list of the names of those accepting, but the officials of the League of the Empire are going to circulate the invitations.

Yours sincerely,
