Dear Sir Arthur,

It has been suggested by the relevant Committee that the Rt. Hon. Anthony Eden should be invited to present the Certificates to the F.N.I.F. Students in the summer and make a speech. The Council of Bedford College have approved the suggestion, which it is understood you have also approved, but we have no means of approach, without which it seems rather a hopeless venture. Can you help us, either by writing to Mr. Eden yourself, or by suggesting someone through whom we might approach him? I will ring up to-morrow morning about 11 o'clock in the hope that I may be able to speak to you about this.

The date proposed for the ceremony is Thursday, July 6th, if it suits you. Perhaps I can have an answer to this too, if I can speak to you to-morrow.

Miss Jean Gunn, Superintendent of Nurses at the Toronto

General Hospital, is the name proposed for the speech from  
the nursing point of view.

Yours sincerely,

Secretary.
