Dear Dr. Thompson,

Re: Final Year Examiner for
Bedford College Nursing Studies
Course 1986

Professor Baroness McFarlane of Llandoff one of the examiners for the final year, 1986, has requested that her examining responsibilities be delegated to Dr. Dorothy Baker. Since we have no objection to this transfer we would like the SAC Committee to confirm this arrangement for Bedford College's final Nursing Studies' Course's fourth year examination.

Yours sincerely

Marion Ferguson
Director
Nursing Studies.

Dear Marion,

Thank you for your letter of June 28th about my delegating my examiners responsibilities to Dorothy Baker.

It was not quite clear from your letter how I should effect the delegation. I am attaching a letter to Dr. Burton asking if this may be done, but if it needs any more formal approach to the University Examining Authorities then please let me know the terms in which I should be writing and to whom.

Yours sincerely,

McFarlane of Llandaff.
