Knowledge of English Fluent.

This candidate has been trained primarily for Social Work and
her experience has all been along that line. She does not hold
the State Diploma in Hospital or in Public Health Nursing.

She expects to graduate in the State Diploma for Social Work
in 1934.

The French Red Cross has been informed that her application will
be brought before the Committee but her admission is doubtful in view
of the fact that her training and experience has been that of a social
worker and not a nurse and that she is not eligible for the French
State Diploma in Nursing.

Another application is expected from:-

Belgian Red Cross.
