12th June 1930.

Dear Mrs. Carter,

I enclose for your information a copy of the Minutes of the last meeting of the Committee for the Organisation of Courses for International Students. These minutes were before the Council at their meeting yesterday when on the recommendation of the Organisation Committee it was resolved:-

"That the formal examination for the International Students be abolished after the current session 1929-30."

"That after the summer of 1930 the certificates presented to students at the end of the year's course be endorsed on the back with the subjects in which they have satisfied their teachers and that the marks obtained throughout the year be used as a basis for the endorsement or non endorsement of the certificate for each separate subject."

Yours sincerely,

Secretary.
