Bedford College for Women,  
Regent's Park, N.W.1.

Dear Dr. Mess,

I am returning the account after having checked it and found it correct. Miss Michalska's account of 12/- will be paid from here, as we pay her expenses of the last two terms from this office, as she has not been at Bedford College.

I advise deferring the payment of the Course in Tropical Diseases, as that Course is not yet finished and the present account is not correct, as only three are attending regularly, the fourth, only certain lectures of the series. I took the liberty of confirming this with Miss Parsons and she quite approves of withholding payment for this Course until it is finished, and she also understands about Miss Michalska.

Very sincerely yours,

Nan L. Dorsey  
Warden (for Secretary)
