Miss G.E.M. Jebb, M.A., Cantab.,
Principal,
Bedford College for Women,
Regent's Park,
L O N D O N, N.W.1.

Dear Principal,

Since writing to Miss Monkhouse yesterday, I have learnt from Miss Dorsey that the meeting of the Bedford College Committee for the organization of the International Courses was fixed for Monday, October 16th.

I am afraid I have made a very stupid mistake in assuming that it was October 9th. The meeting of the Provisional Committee, of which Sir Arthur Stanley is Chairman, has been fixed for October 6th. I had hoped to be able to attend the two meetings during the one visit to London.

I hesitate to ask you to consider to change the Bedford College Committee meeting to October 9th as I know at the beginning of term you are very busy. If, however, you can do it without upsetting any of your other arrangements I should be very glad. On the other hand, if it is inconvenient to you I will make a second visit in order to attend the meeting on October 16th. I think it is important that I be present at that meeting because there will be a report from the Provisional Committee to give on the decisions taken with regard to the Courses for the Session 1934/35.

I am sorry this mistake should have occurred; I have really no excuse other than that of making no note of the meeting at the time.

With kind regards.

Yours sincerely,

Maynard L. Carter
