Dear Miss Cowlin,

Please accept my apologies, I am very sorry such a stupid mistake was made and now attach an amended account.

With regard to Miss Charlton, her name was added in accordance with a telephone message from the College of Nursing and we had no further communication with regard to her, but I have now omitted her name altogether.

Yours sincerely,

Secretary.

Miss G. Cowlin,  
Librarian and Education Officer,  
The College of Nursing Ltd.,
