BEDFORD COLLEGE FOR WOMEN,
(UNIVERSITY OF LONDON.)

REGENT'S PARK,
N.W.

July 3. 1914

Dear Miss McKnight,

I enclose a resolution passed

by the Hygiene Committee.

The committee felt that the remuneration of (I think) 2 guineas for the 2 years is quite inadequate for the time and expert assistance given by the external examiner whose services are more than needed in the College diploma exam.

I have made enquiries into and find that the examiner at the San. Inst. and at the San. Inspectors B's exam. can receive 5 guineas for each subject per examination. I think it is most important that we should always obtain the best ~~man~~ experts in Hygiene as the external examiner and under the circumstances I do not think £10.10. for the two years is an excessive remuneration.

I am yours very truly,

John B. ...
