25th April 1929.

Dear Mrs. Carter,

Thank you for your letter of the 16th April. We quite understand that it will be necessary for the League to know this term my Council's decision concerning the continuation of the Courses for International Students. Arrangements are being made to discuss the question at the next meeting of the Finance Committee on May 10th.

It is very kind of you to suggest coming over at the end of April to discuss the question with the Principal but we think it unnecessary to put you to the trouble of an extra journey before we know the financial position. It is, however, suggested that the May meeting of the Executive Committee should be moved forward a week to May 24th instead of May 31st. Would you be good enough to let me know by return if this date is convenient to you.

I am so glad that you thought well of our students who came to see you during the Easter vacation.

Yours sincerely,

Secretary.
