

UNDERGRADUATE COURSE IN NURSING STUDIES  
BEDFORD COLLEGE/MIDDLESEX HOSPITAL

Psychiatric Nursing Experience (at St. Luke's Woodside  
Hospital, Woodside Avenue)

Number of Students: 11

Dates: 12th January-21st March, 1984.

Objectives:

1. To prepare students to recognise the manifestations of mental illness.
2. To develop their understanding of the factors influential in the production of mental breakdown.
3. To introduce students to common therapeutic approaches in psychiatry.
4. To help students to develop interpersonal skills which they meet as general nurses.

UNDERGRADUATE COURSE IN NURSING STUDIES  
BEDFORD COLLEGE/MIDDLESEX HOSPITAL  
-----

Community Nursing Experience:

Number of Students: 5.

Dates: 12th January-21st March, 1984.

Objectives:

1. To provide students with opportunities to examine health care provision in the community, that is, outside hospitals.
2. To reinforce previous learning about continuity of care by providing students with the opportunity to observe and/or participate in nursing care in patients' own homes and other settings, e.g. the workplace.
3. To relate the theory and practice of health care for patients of varying levels of physical and social dependency.
4. To give students opportunities to assess health deficits and formulate care plans for patients in the community.

---

Dear Mrs Ferguson,

Thank you for your letter of July 14. I look forward to receiving in due course the objectives for the modules of community and psychiatric nursing.

With reference to the undergraduate statistics, no doubt you will by now have received my letter of July 13 and the enclosure. This is all the information I can muster.

With all good wishes.

Yours sincerely,

P SAYER (MISS)  
Senior Education Officer
