Miss Monkhouse,
Bedford College for Women,
Regent's Park,
London N.W.1.

Dear Miss Monkhouse,

Thank you very much for your letter of November 10th enclosing the draft prospectus for 1934-1935. I have noted the alterations which you suggest. I have not yet received the new text for the lectures in Training School administration, and unless I hear to the contrary we will use the old text, but insert Miss Bowe's name instead of Miss Musson.

I am not sure who is replacing Miss Edgell as lecturer IX. "Ethical Principles and Practical Problems" on page 23 of the prospectus. Would you kindly let me know who were lecturer on this subject. On page 22 : VII. Psychology, am I to put Mr. Mace as lecturer for 1. and 2. ?

It has occurred to me that you may have a new photograph of Bedford College which we would put with the prospectus instead of the three which have appeared for so many years.

Have you a good one of the exterior ? If you have the block, and it is not larger than 6 x 4, we would be grateful if you could lend it to us for a short time.

With my kind regards and I am so sorry to bother you with so many questions.

Yours sincerely,

Maynard L. Carter,
Chief, Nursing Division
