13th June, 1983.

To all Internal and External Examiners
for the B.Sc./SRN in Nursing Studies.

Dear

re: Examination of Nursing Studies Students:
Year I and Year II.

Dr. Ivor Burton and I thought it a good idea to have a preliminary meeting of the examiners involved with the Nursing Studies course, to discuss students' performance and further development before the final meeting of the Department's sub-board on 29th June, as set out on the sub-board timetable for 1983. We have therefore arranged a meeting for the 23rd June at 2.00 p.m. at Fraser Lodge.

We would welcome your attendance at the meeting, but if you cannot attend we would appreciate your letting us have any comments you wish to make about a student's performance, in time for discussion on the 23rd.

Yours sincerely,

Marion Ferguson,
Director of Nursing Studies.
