Dear Secretary,

Nursing Studies : Insurance for Students.

I am becoming very concerned about the matter of insurance for the nursing students as we cannot allow them to be in an unprotected position. The last information I had on the progress of these negotiations was that the matter was in the hands of the Middlesex Hospital's solicitors. Is there any way we can speed things up so that we are certain to have cover for the beginning of next session.

Yours sincerely,

Marion Ferguson
Director of Nursing Studies.
