Miss Monkhouse
Secretary
Bedford College
N.W.

Dear Miss M_onkhouse,

re International Students.

I should be very much obliged if you will very kindly forward the account for Students' fees of 45 guineas each direct to me instead of to Paris, and also the fees for the Bedford College *been* on a separate account.

The fees for £47 5s plus Bedford College *university* due for Miss Hermione Whitehead (Great Britain) will be paid direct to Bedford College by the Trustees of the Nightingale Fund, who have awarded her a scholarship, and should not be included in the L.O.R.C.S account.

Would you be so kind as to let me know if you have in your possession a League certificate, belonging to Miss Moe (Norway). It was left by me before I went away last October together with one belonging to Miss Bunch (Denmark) to be signed on the back by the Principal.

Miss Bunch received hers last November, when certificates were presented to the Social Studies students, as she happened to be in London at the time, but I hear from Miss Moe that she has not yet had hers.

If I am not able to trace it I shall have to have another inscribed for her, but I am very anxious to trace it if possible, as it is careless of me to have let it go astray.

I am so sorry to bother you over this.

Yours sincerely

Maynard L. Carter
