13th June 1933.

Dear Mrs. Carter,

I enclose a copy of the minutes of the last meeting of the Organisation Committee. Will you be good enough to let me know officially whether the form of words in which it is proposed to recognise the co-operation of the School of Hygiene and Tropical Medicine, is approved by the League of Red Cross Societies?

I enclose an Agenda for the meeting to-day week, though I seem to have no business other than the award of certificates and possibly further reports concerning prospective students.

Yours sincerely,

Secretary.
