

27th October 1938.

Dear Miss Baggallay,

I send you the Minutes of the Organisation Committee. Will you ring me up after you have read them, and then I will find out from Miss Wacey of the Institute of Education whether the Institute will allow the College special terms for the Students.

Yours sincerely,

Secretary.

I have (as told you over the phone) already spoken to Miss Wacey who says the I. of E. will give special terms, but I am now awaiting from you confirmation of all courses which Miss Gould is taking.
