4th November 1929.

Dear Mrs. Carter,

I have to inform you of the following resolutions which were passed by the Committee for the Organisation of Courses for International Students at their last meeting:-

1. Re candidate for entry undecided at July meeting.

RESOLVED that the League of Red Cross Societies be informed that the Committee were unable to admit Miss Danitsa Ourochevitch of Jugoslavia to the course as she had not got sufficient professional training.

2. Candidate for re-entry (Miss Itta Frascara)

RESOLVED that in the opinion of this Committee it would be impossible for Miss Frascara to complete the work necessary for the examination in one term after so long an interval as six years.

that the League of Red Cross Societies be informed that Miss Itta Frascara of the Italian Red Cross will be re-admitted to the Public Health Course at Bedford College provided she be willing to enter in January 1930.

3. Prospectus 1930-31.

RESOLVED that the prospectus for 1930-31 be amended in accordance with the proposals before the Committee.

4. Representative on Organisation Committee in place of
Dr. Brincker.

RESOLVED that Lt. Col. Parkinson be invited to sit on the
Committee in place of Dr. Brincker.

With reference to the other recommendation concerning the
personnel of the Committee the Council decided to take no
action in the matter for the present.

I am afraid it will not be possible for us to have the
next Committee meeting on the 31st January 1930 as proposed
at the last meeting as it happens to be the date of the College
Finance Committee. I am sorry I did not know this at our last
Committee. I propose that we put back the date one week to
January 24th ^{if} this is not impossible for you.

Yours sincerely,

Secretary.
