

Report on International Students

Satisfactory reports have been received from the Matrons of all the hospitals in which the Nurse Administrator students had practical experience during the Easter vacation.

Arrangements are now complete for their last period of practical work, the first fortnight of July.

Miss Besesti is spending from July 1st - 11th with the Lady Almoner at King's College Hospital, getting a final insight into the social service of the hospital.

Miss Christova is spending 4 days at Lewisham Hospital studying the work of the laundry and central linen store and the remaining time at the Middlesex Hospital in the Kitchen and linen departments.

Miss Diskul is going to Manchester Royal Infirmary for a day or two and then going on for a week at the Glasgow Royal Infirmary.

Miss Gudmundssen is spending 4 days at the Hospital for Consumption and Diseases of the Chest, Brompton, and then going down to spend the remainder of the time at St. Nicholas' and St. Martin's Orthopaedic Hospital, Pyrford, to see the surgical side of tuberculosis work.

Mrs. Nulle Sieceniaks
and Miss Staehle are spending 3 days at the Victoria Hospital for Children, Tite Street, Chelsea; 3 days with Miss Wilshurst studying district nursing at the Metropolitan District Nursing Association, Bloomsbury, and 2 days at the Hospital for Consumption and Diseases of the Chest, Brompton.

Miss Petschnigg is being joined by Miss Schwarzenberg and following the same programme as Miss Diskul - going first to the Manchester Royal Infirmary, and then up to Glasgow Royal Infirmary.

Miss Voipio is spending just two mornings with the Matron of the Queen Alexandra Military Hospital, Millbank, studying the administration of a military hospital.

Miss Zukowska is spending the whole time at the Queen Alexandra Military Hospital, Millbank, prior to returning to military hospital work in her own country.
