Dear Dr. Mess,

I think you may like to have an advance copy of the Minutes of the meeting of the Organisation Committee last Monday, when you were unable to be present. If, after you have read the Minutes, you let me know that you wish all the recommendations to go forward, I will put them before the Finance Committee at its next meeting. I refer of course to the recommendations for students to take courses outside the College courses, and for which an additional fee has to be paid.

Yours sincerely,

Secretary.
