2nd February 1933.

Dear Mrs. Carter,

We have just heard that it is quite impossible for Bedford College to have the Presentation of Certificates on Monday June 26th as this date is reserved for a matter of great importance at the University. Will you kindly let me know what other dates would be possible for the representatives of the League so that I may put them before the Principal? Please let me have one or two alternatives as this is a very full time in the term.

Both Sir Arthur Stanley and the Principal much approved your suggestion of inviting Professor Jamieson to speak and he has intimated to Colonel Parkinson that he would like to do so provided dates can be arranged. I am, however, delaying the official letter of invitation until I know what dates will suit you and Sir Arthur Stanley.

Yours sincerely,

Secretary.
