### Reception to Congress Delegates

The Public Health Section is arranging a reception in the grounds of Bedford College for Women, Regent's Park, London, by permission of the principal, Miss Jebb, on the evening of July 20th, 1937. It is hoped to entertain 200 of the delegates attending the Quadrennial Congress of the International Council of Nurses on this occasion. A display of original ballets will be given during the evening.
