Miss G. Jebb,
Bedford College for Women,
Regent's Park,
N.W. 1.

Dear Miss Jebb,

I am writing to confirm the arrangements made when you saw me to-day.

We shall be very glad to have the special course of ten lectures on Social Administration, by Mrs. Reid, arranged for the Health Visitor Students beginning at 10 a.m. on January 13th 1931 at a fee of 2 guineas per student.

We feel that it will be necessary to withdraw the students from the course on "Industrial Conditions" this year, but know that you will understand that it is simply because of the expense being out of all proportion to the fees paid to us by our students. We do this with regret as Mrs. Williams has shown such interest in the Health Visitors, and we would be glad if you could convey to her our appreciation of the help given in the past.

Yours sincerely,

M. Milwan.

Public Health Students.
