Dear Miss Hancock,

I refer to your letter of 20th May addressed to Miss Hickman and giving further details of the arrangements to be made for student nurses from Bedford College to obtain experience in maternity care and care of the newborn within the Maternity Department of the Middlesex Hospital.

The programme as now proposed appears to overcome the problems originally raised and approval has now been given to this course.

Yours sincerely,

Miss C.Hancock,
Chief Nursing Officer,
Bloomsbury Health Authority,
