

BEDFORD COLLEGE

(UNIVERSITY OF LONDON)

MEMORANDUM

To: All 2nd-Year Nursing Students

From: Marion Ferguson.

re: Social Structure of Modern Britain

2nd Term: So that we can progress smoothly with the seminars as planned, the 6th December seminar on Work and Industrial Relations as scheduled on your handout will now take place on Tuesday, 17th January, at 4.00 p.m. as usual.

Reading for that seminar -

McINTOSH & DINGWALL      Teamwork in theory and practice, in : Readings in the Sociology of Nursing.

CARPENTER, M.              Managerialism and the Division of Labour in Nursing, in: Readings in the Sociology of Nursing.

HILL, S.                      Competition and Control of Work.

EHRENREICH, B. & J.      Hospital Workers: class conflict in the making, International Journal of Health Services, Vol.5, No.1 (1975) pp.43-53.

Will students please parcel out the work between you in preparation for the seminar topic of:

No occupational group is exempt from the conflicts arising from 'the relations of productions'.
