may meet

Miss O. Monkhouse,
Bedford College for Women,
Regents Park,
N.W. 1.

Dear Miss Monkhouse,

I do not know whether the question of lecturers for next session is likely to arise at the next meeting of the Committee for the Organisation of Courses for International Students, but I should be glad if it might be reported then, that Miss MacManus is unable to continue giving the course of lectures in Training School Administration, and Dr. Halsey is wanting to give up the lectures in Educational Psychology and Methods of Teaching.

Suggestions for their successors may possibly be brought forward by the College of Nursing representatives at the next meeting of the Committee for the Organisation of Courses for International Students.

Yours sincerely,

H.C. Parsons

a) Mrs. Halsey had signified her willingness to accept reappointment if offered.
b) When discussing lecturer in place of Miss MacManus, Miss Parsons will have to withdraw as she understands she is being put up.
