

15th November 1938.

Dear Miss Baggallay,

The Finance Committee at their meeting last week agreed to pay Intercollegiate fees on behalf of the following International Students:

Miss Gould
Miss Eddy
Miss Hakola

Miss Gould's Course includes all the courses you sent me in your letter of October 27th. I am glad this has been satisfactorily settled.

Mr. Bonham Carter, Secretary of the Nightingale Fund said in a letter to me of October 13th "I shall like to hear from you or Miss Baggallay eventually what is the course of study which Miss Gould will follow". Will you write to him, or would you prefer me to? Please let me know.

Yours sincerely,

Secretary,
