BEDFORD COLLEGE FOR WOMEN
(University of London)

Regent's Park, N.W.1.

October 13th, 1925.

Dear Miss Cowlin,

Thank you for your letter telling me that you have had an application for one of your College members, Miss Seary, to take the single course of lectures on Hospital Administration. I think it will be best to have the fee sent when the account is settled for the other students of the College of Nursing who are taking courses here.

Yours very truly,

(Signed) MARGARET J. TUKE

Principal.
