**GIRL STUDENTS' VISIT.**—On Wednesday a number of girl students attached to the International Red Cross Society, who are undergoing a course of study at the Bedford College for Women, paid a visit to Maidenhead. They were received by the Mayor and Mayoress and the medical officer of health. The students included representatives from France, Belgium, Poland and Japan. During the day they visited Britten's Dairies, Crisp's Dairy Farm, Alms-houses at Bray and the health and scaveng-ing services in the borough and the Cook-ham rural district.
