Miss Tuke,
Bedford College for Women,
Regents Park, N.W.

22nd June 1927

Dear Miss Tuke,

I think I did tell you that there is a Meeting of the Selection Committee to-morrow, Thursday, to discuss the appointment of the Education Officer, and Miss Rundle thought it would be well for Sir Cooper Perry, the Chairman, to have in mind the position with regard to the suggested new appointment in connection with the International Students taking the Hospital Administrators Course at Bedford College.

I am anxious for you to see the notes I have given Sir Cooper Perry and if there is anything in them which is not quite correct, I should be so grateful if your Secretary might ring up Miss Rundle to-morrow morning. If you approve these notes, please do not trouble to ring up.

Believe me to be,

Yours sincerely,

Librarian
