29th July 1931.

Dear Sir,

Nightingale Scholars.

I beg to inform you that the Ministry of Health has paid grants in respect of some of your Nightingale Scholars at Bedford College as follows:-

Miss Nobes	Total	£15
Miss Merry	1st Instalment	£6
Miss Crother	"	£6
		<u>£27</u>

I enclose a cheque for £27 in repayment to the Nightingale Fund towards the tuition fees paid by them on behalf of these students. I shall be glad to receive a receipt in due course. If it was the intention of your committee that the students themselves should benefit by this grant you will doubtless take the necessary steps.

Yours truly,

Secretary.
