

PAEDIATRIC
PLACEMENT 1984/5

2nd February, 1984.

Mr. R. Hoy,
Director of Nurse Education,
Middlesex Hospital Nursing School,
Foley Street,
London W.1.

Dear Ron,

re: Paediatric Placements

I have tried to contact you by phone several times, without success.

Stan Holder of St. Mary's is not able to accommodate eleven students but might be able to take five. I have contacted Hackney and Chelsea - also with a negative answer. So, I'm afraid Bloomsbury will somehow or other have to come up with the placements in view of the commitment to the course.

What about University College?

The paediatric module - which as you know will be for only one more session - is due to take place from the beginning of October to middle of December 1984, for 2½ days per week.

I would be grateful for your help.

Yours sincerely,

Marion Ferguson,
Director of Nursing Studies.
