

196.1

19th March 1934.

Dear Mrs. Carter,

Thank you very much for your letter and the suggested corrections for the Minutes which I have altered in the revised copy which I now enclose. Will you be good enough to let me have back the advance copy which I sent to you as I have altered the report concerning the recruitment of English Nurses as I had put in more than was necessary or desirable?

Yours sincerely,

Secretary.
