Miss Olive Monkhouse, O.B.E.
Secretary, Bedford College for Women,
Regent's Park, N.W.1.

Dear Miss Monkhouse,

At the meeting of the Committee of Management of the Florence Nightingale International Foundation last Saturday it was decided to recommend to the Organisation Committee at Bedford College that the 1937-38 Course for International Nurses commence on September 1st, 1937 instead of August 15th.

*Make up
last end of
course 2 weeks*

This arose out of my report of the arrangements being made for activities next summer in connection with the Congress of the International Council of Nurses. The house will be busy and the present students in London until the 26th or 27th July. It was felt that there must be a sufficient period to enable the house to be prepared and the staff to rest, before the new group arrive.

I should be grateful ~~there~~, if you would bring the recommendation before the Organisation Committee.

The Committee of Management is preparing its report to the Grand Council of the Foundation and would be grateful if Bedford College would submit a report on the recent changes in the curriculum and the form of the new certificate to be awarded to successful students.

This report would form part of the Committee of Management's report, and it would be of great assistance if it could be prepared for the next meeting of that Committee on April 28th. If this is not possible then the Report from Bedford

College could be circulated separately to the Grand Council
at a later date.

Yours sincerely,

Olive Baggallay

Olive Baggallay
Secretary.
