

27th May 1938.

Dear Madam,

I am writing on behalf of the Council of Bedford College for Women to ask whether you will honour the College by consenting to speak to the International Students from the nursing point of view on the occasion of the Presentation of Certificates on June 30th next. It is hoped very much that you will be able to accede to this request.

I enclose for your information a prospectus of the International Courses together with a programme of last year's Presentation Ceremony. The Ceremony will be at 3 p.m. and will be followed as usual by a Garden Party if fine and a Reception in the Oliver Hall if wet.

Yours truly,

Secretary.
