Mrs. J.M. Longden
Secretary/SAC in Nursing Studies
University of London
SENATE HOUSE

Dear Mrs. Longden,

Thank you for your letter concerning Mrs. Ferguson's appointment as a recognised teacher to the Special Advisory Committee in Nursing Studies. I am glad that matter has been cleared up.

Mrs. Ferguson has passed to me your letter of the 28th October. I had, in fact, already drafted a letter to you on this subject, and I think it would be convenient for me to reply. I have discussed the matter with Mrs. Ferguson, and I enclose a report in a form suitable for sending round with the SAC minutes.

Thank you for the extract from the draft minutes which will be very helpful to us when we submit official course-unit proposal forms through the usual channels.

Yours sincerely,

Ivor Burton

Analysis of O and A level qualifications
of Bedford College 1981 intake

1. All students have the following relevant subjects at 'O' level : Maths, Chemistry, and at least one other science.
2. All students have Biology at 'A' level except for one. That student has Cheminstry and Maths at 'A' level.
3. The average 'A' level score is 7.1
4. We are satisfied with the subject qualifications of the intake but we look for an improvement in the 'A' level performance of the next intake.

I.F. BURTON
