Dear Miss Ward,

re: Bedford College/Middlesex Hospital undergraduate course (B.Sc./S.RN.)  
Experience in Maternity Care and care of the Newborn.

I wrote to you on 5th May requesting a copy of the document approving the above 4-week course for our students in July/August 1984, and 1985. I have not had a reply as yet and should be glad to hear from you at your early convenience so that I can assure the G.N.C. that no difficulties are anticipated in the provision of this course.

Yours sincerely,

Marion Ferguson,  
Director of Nursing Studies.
