Dear Miss Ferguson

Thank you for your letter telling me of the success of the students. It is pleasing to see that they were all successful.

I have spoken to Mrs Morgan, and it will be perfectly in order for them to buy a Middlesex Hospital Nursing Buckle.

I am sorry that our association with Royal Holloway and Bedford New College has ceased, but I am sure we will hear more of yourselves and of the students who have completed their degrees.

With kindest regards.

Yours sincerely

J. Styles
