Dear Dr. Botting,

re: Pharmacology Lectures for Students  
of Bedford College

I am writing to you in relation to those students participating with Chelsea nursing students for Pharmacology lectures in 1984-85.

As I need to prepare their timetable to dovetail in with their hospital practice and university lectures, I should be pleased to receive information as to which day of the week, and the time, the pharmacology lectures are likely to take place.

Yours sincerely,

Marion Ferguson,  
Director of Nursing Studies
