Dear Madam,

Nightingale Fund.

At the Meeting of the Committee of the Nightingale Fund held yesterday they elected Miss Violet Caroline Wickham at present working as a Queens District Nurse at the Queens Nurses Home 3 Wellington Place, Guildford to a Scholarship to attend the Public Health Course at your College starting in October next.

As you know in the past our Scholars have usually arranged to reside at the International Hostel No. 15 Manchester Square which is managed by the League of Red Cross Societies and I rather anticipate that Miss Wickham will arrange to do this.

I am, dear Madam,

Yours faithfully,
W H Bonham Carter

Secretary,
Nightingale Fund.
