Dear Miss Monkhouse,

I am awfully sorry to hear that Dame Barrie Lambert cannot come to our presentation ceremony.. I also read in to-day's paper that Admiral Grayson has died, so that our two main proposals have fallen through.

It is a great tragedy about Admiral Grayson as he has so recently been appointed to the American Red Cross, and was, I believe, a very great strength.

What do you think of Mrs. Corbett Ashby of the International Council of Women? I do not know her personally but I know that she is a very good speaker and an internationally minded person. At the moment I have no other ideas, but I will be ~~seeing~~ *thinking* about this before our next meeting.

I am enclosing some supplementary information about Miss Bridges which will I think bring your information up to date. If there is anything else you want to know about her, possibly you would ring me up.

Yours sincerely,

Olive Baggallay
