1st June 1928

Dear Mrs. Carter,

Thank you very much for your letter of the 31st May. It will give me great pleasure to accept the invitation of the League to come to Paris in July. I must however be in London on Wednesday afternoon, 11th July for a Council meeting, so I would have to leave Paris on Tuesday night. I could however come on July 6th instead of July 8th if this would be equally convenient to the League. I shall much enjoy getting into closer touch with your work.

Yours sincerely,

Secretary.
