

196~~18~~

5th December 1927.

Dear Miss Cowlin,

I am sorry it has not been possible to arrange the Committee for Thursday or Friday which days I understand from Mrs. Reid suit you best. I thought I would like you to know we had tried to fix it for the days most convenient to you but they were quite full up for the Principal. I hope much you can manage the date proposed.

Yours sincerely,

Secretary.

Miss G. Cowlin,
