Dear Madam,

Nightingale Fund

You will like to know that my Committee has awarded a Scholarship to attend the International Course at Bedford College in the ensuing year to Miss Daisy Caroline Bridges who you may remember spoke at the recent distribution of the Certificates to the Nurses attending the International Course. You will therefore be good enough to render to me the account for this lady's tuition fees when due.

I have written to Miss Baggallay the Secretary of the Florence Nightingale International Foundation to arrange that Miss Bridges should be received at 15 Manchester Square. Her address is St. Thomas's Hospital where she has been performing Sister's duties. *She wishes to take the Hospital Administration course*

Yours faithfully,

*W H Bonham Carter*

Secretary of the Nightingale Fund.
