Miss Olive E. Monkhouse, M.B.E., B.A.,  
Secretary,  
Bedford College for Women,  
Regent's Park, LONDON. N.W.1.

Dear Miss Monkhouse,

I am so sorry that I will not be able to attend the meeting on May 1st. but I have just returned from a short holiday and have a good deal to do. I hope, however, to be in London in two months' time for the meeting in June and for the Presentation of Certificates.

I am forwarding you within the next few days the names of the applicants for admission to the International Course next year. At the present time there are eleven and we are hoping to have at least three more. It is disappointing that there are not more applicants and it is a little difficult to attribute it to any one reason.

The British Red Cross are only presenting one candidate and have notified us that the V.A.D. Committee are not awarding a Scholarship as they have not a suitable candidate.

We have not yet heard if Mrs. Belmont will be able to speak at the Presentation of Certificates but we hope to hear before May 1st. In the event of her not being in England at the end of June we will have to find another speaker.

I was very glad to learn from Miss Dorsey that the present group are, on the whole, doing well.

With my kind regards.

Yours very sincerely,

Maynard L. Carter.  
Chief, Nursing Division.
