The College of Nursing

LIMITED,

HENRIETTA STREET, CAVENDISH SQUARE, LONDON, W. 1.

30th April 1927

Dear Miss Tuke,

League of Red Cross Societies

Thank you for your letter of April 28th. To prevent any misunderstanding, may I point out that the College of Nursing did not mean to convey to you that the proposed should be limited to two years, as indicated in your letter; but that the College of Nursing shall be at liberty to withdraw from the Agreement two years from October 1927.

I thought it better to bring this to your notice at once, in case there should be any misunderstanding.

I remain,
Yours faithfully,

W. S. Parnell.

Secretary.

Miss Tuke,
